## **SUMMARY OF CHANGES IN THIS VERSION:**

1. Formatted the document with paragraphs styles and automatic paragraph numbering.
2. Created and applied approved section template matching CSI Section Format and to ensure consistency among all sections included within this issue.
3. Rewrote specification text for consistency with CSI's recommended specification language, using streamlined text and imperative mood wherever possible.
4. Updated reference standards to show current edition, and confirmed reference standards are used properly.
5. Deleted related requirements not referenced in this section.
6. Rewrote spec writer note when reference standard is used and sizes of material is specified by classification.
7. Spec writer note added for revised paragraphs with selections and explanation of choices.
8. Revised section number and title to show correct referenced location.
